Our Mission

About Oregon Film · https://oregonfilm.org/article/mission/

Oregon Film, a state agency, has a mission to promote, support and advance the film, video, interactive, animation and creative content industries within the state by fostering connections between storytellers, productions, businesses and the public sector to strengthen and diversify this industry’s profile and reputation locally, nationally and internationally.

Oregon Film is a member of the Association of Film Commissions International, FilmUSA, Location Managers Guild, Oregon Economic Development Association and the Oregon Media Production Association.
